

**Dr. Muhammad Athar Abbasi**  
M.Sc. (IUB), PhD (ICCBS, KU)  
**Associate Professor** (Tenured)  
**HEC Approved Supervisor**  
**Ex-Coordinator Pharmaceutical Chemistry**

GC University Lahore

Date:- 01-02-2018

Department of Chemistry

**The Editor,**  
J. Serb. Chem. Soc.

**Subject:      Submission of Manuscript**

Please find enclosed herewith the manuscript titled “**Structure-activity Relationship and *in silico* Study of Unique Bi-heterocycles: 5-[(2-Amino-1,3-thiazol-4-yl)methyl]-1,3,4-oxadiazole-2-thiol Derivatives**”. This is also certified that the article is being submitted with the consent of all authors.

Please acknowledge the receipt of manuscript.

A handwritten signature in blue ink, appearing to read 'Athar'.

**(Dr. Muhammad Athar Abbasi)**

## **Referee Suggested**

1. **Dr. Zhuo Chen**  
Associate Professor  
Medicinal Chemistry  
East China University of Science and Technology  
Shanghai Key Laboratory of New Drug Design, School of Pharmacy, East China  
Uni. of Sci. & Tech. City & Country: Shanghai-200237,P.R. China
